Pre-Biblical Revelation (#9)

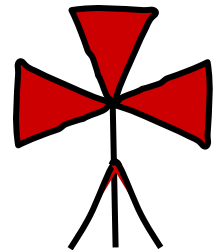

Author: Ron Banuk

Site: Grace Chapel

Date: Sunday, 15 March 2009

Almighty

Romans 1:19-20 NLT

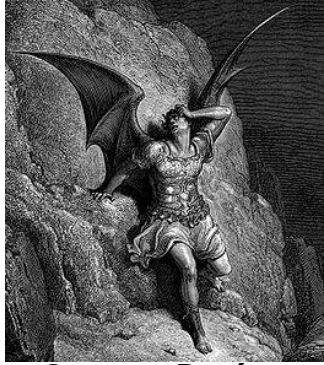

- **19** *For the truth about God is known to them instinctively. God has put this knowledge in their hearts.*
- **20** *From the time the world was created, people have seen the earth and sky and all that God made. They can clearly see his invisible qualities--his eternal power and divine nature. So they have no excuse whatsoever for not knowing God.*

God's Creation Speaks (Ps 19 NLT)

- 1 The heavens tell of the glory of God. The skies display his marvelous craftsmanship.
- 2 Day after day they continue to speak; night after night they make him known.
- 3 They speak without a sound or a word; their voice is silent in the skies;
- 4 yet their message has gone out to all the earth, and their words to all the world.

Mazzarot Explained

Virgo: The virgin bearing Branch and Seed delivers the desired Son (Coma) for all nations. He will come forth to rule (Boötes) with the crown (Corona) and yet be rejected for his dual nature (Centaur) as the despised (Al Beze) Sin Offering (Asmeath).

Libra: What is the price for Redemption told by the Scales (Libra). The Centaur of dual nature slays himself as the victim (Lupus) to offer on the cross.

Scorpio: Ophiuchus, the Messiah, bruises Scorpio's head while Scorpio bruises his heel. He struggles with the Serpent intent on the crown (Corona).

Sagittarius: Sagittarius, the archer and chief centaur, conquers (Rev 6:2). Praise him with a harp on eagle's wings. He pours the consuming fire from the altar as a curse on his enemies below. But still, the Dragon remains as the cynosure of the heavens.

Capricornus, Aquarius, Pisces, and Aries: Destruction of the world by Flood.

Taurus: Messiah the Bull comes forth. As Orion, the coming of the Branch (Betelgeus), he places his left foot over his enemy, Lepus, at the River of the Judge, Eridanus. For all his wrath, he remains the good (Jn 10:11), great (Heb 13:20), and chief (1 Pt 5:4) Shepherd, Auriga.

Gemini: The Twins, Apollo the Judge and Hercules the suffering Servant, come as the mighty (Al Habor) Prince (Canis Major) and the burdened (Gomeisa) Prince (Canis Minor) to defeat the enemy, Lepus.

Cancer: He binds together those the Father has given him into a small sheepfold (Ursa Minor) [dohver vs doher] and a large sheepfold (Ursa Major) from the company of travelers (Argo) in the ark.

Leo: The Lion of Judah, will tread underfoot (Regulus) the harlot (Hydra the female serpent) who sits on many waters (Rev 17:1) with her cup of abominations (Crater). She will be broken up (Her-na) by Corvus, the Raven, and be tread underfoot by Leo.

Babylonian Flood Accounts

- Berosus, a Chaldean priest *circa* 290 B.C. related a tradition that Xisuthrus, the Babylonian Noah, buried the Sacred Writings before the Flood, on tablets of baked clay , at Sippar, and afterwards dug them up.
- There was a tradition among Arabs and Jews that Enoch invented writing, and left a number of books. An ancient Babylonian king recorded that “he loved to read the writings of the age before the Flood.”
- Tablets discovered by George Smith from the library of Assurbanipal at Nineveh, contain repeated inscriptions saying: “The Flood”, “the age before the Flood”, and “inscriptions of the time before the Flood”.

Early Egyptian Beliefs

God is one and alone, and none other exists with Him. God is the One, the One who has made all things. God is a spirit, a hidden spirit, the Spirit of Spirits, the Great Spirit of the Egyptians, the Divine Spirit. God is from the beginning, and He has been from the beginning. He has existed from old and when nothing else had being.
